# PSPDFKit for Web Quick Start Guide

## The Toolbar

The main toolbar features navigation tools to the left ...

... and annotation, save, and search tools to the right.

## The Options Bar

When a tool offers additional options — such as font settings, opacity, and color — the options bar appears below the main toolbar.

Selecting an annotation tool or an annotation itself will open the annotation options bar.

# PSPDFKit for Web Tools Overview

PORT (PDF) IS a universal file format that preserve all of the fonts, formatting, colours and graphics of any source document regardless of the application and the platform used to create it. It's an id

## Highlighting Text

Selecting text will show a menu with options to highlight, strike through, underline, squiggly underline, or redact the text.
